Charging plate for Maxi charger + USB connector for Samsung rechargeable battery

Description

This Charging plate by Delock with USB interface enables you to charge a Samsung camera rechargeable battery. You can use it either together with the Delock Universal Charger (item 61700) or separately with the included USB cable. Thus you do not require any bulky or unhandy charger but charge your battery easily on your notebook or PC. The Delock Charging plate is ideal when travelling or at home.

Ref.	65828
